TO WHOM IT MAY CONCERN

Being part of Deutsche Post DHL organization, DHL is the global market leader of the international express and logistics industry, specializing in providing innovative and customized solutions from a single source. DHL international network links more than 220 countries and territories worldwide. Ukrainian operations of DHL are distributed between 4 divisions: Express, Freight, Global Forwarding, Supply Chain with their offices spread across Ukraine.

At the end of 2nd quarter of 2009 DHL Global Forwarding (Danzas Kyiv LLC), started a search for alternatives to the current office in Kyiv, located on 6, Gaydara St. Our main target was to rent an office of higher quality within the current budget frames.

CB Richards Ellis, represented by Levon Papoyan, made an outstanding work during the search and further negotiations with the Landlord of Horizon Park Business Center (4, M.Hrinchenka St).

As a result we moved to the new office in Horizon Park Business Center which completely satisfies our needs.

We highly appreciate CB Richard Ellis team's work and will recommend the Company as a professional consultant in commercial real estate.
