Due to a further expansion in Ukraine in 2008 Kimberly-Clark initiated the project of Kyiv office's relocation.

CB Richard Ellis was among other companies rendering the agent services in a search of appropriate office premises.

By virtue of CB Richards Ellis, we successfully achieved our goal – found the new office premises in Protasov business park, which met our needs and signed a long-term lease agreement on favorable terms.

Herewith we would like to express our complete satisfaction with the services provided by CB Richard Ellis having represented by Levon Papoyan.

We would also strongly recommend CB Richard Ellis to other companies looking for support in this sector.
